### Calling all BC First Nations Youth!

The First Nations Fisheries Council of British Columbia (FNFC) is seeking youth participants to present on a panel for our upcoming Annual General Assembly (AGA) to be held on November 6<sup>th</sup> & 7<sup>th</sup>, 2019 in Harrison Hot Springs. We are looking to highlight youth-led projects from around British Columbia related to **fish, habitat and water**.

We are open to a wide variety of projects relating to fish, habitat and water. Examples of projects include: Water monitoring, habitat stewardship, Water conservation, youth environmental guardians and fishing projects.

If you would like to showcase your project, please enter a submission using the attached form with the following information:

- a paragraph or two that includes who you are and your community
- what specific project you are working on/have worked on
- who else from your community is involved in the project

**The selected projects will be invited to present on the Youth Panel with travel expenses covered.**

Participants should be **25 years of age or younger** and submit their project by **October 11, 2019** to [info@fnfisheriescouncil.ca](mailto:info@fnfisheriescouncil.ca)

For questions/comments, please contact our Project Coordinator, Nina Nichols at: [nina@fnfisheriescouncil.ca](mailto:nina@fnfisheriescouncil.ca)

Hello all,

The First Nations Fisheries Council (FNFC) is seeking participants for a panel on youth-led projects related to fish, habitat and water for our upcoming Annual General Assembly (AGA) in **Harrison Hot Springs on November 6 and 7, 2019.**

The First Nations Fisheries Council (FNFC) works with and on behalf of BC First Nations to protect and reconcile First Nations rights and title as they relate to fisheries and the health and protection of aquatic resources. In November we will hold our AGA to bring together First Nations leaders, community members, fisheries and natural resources staff and government partners from across the province to receive updates on the work of the FNFC and community members.

We would like to highlight the work of youth from around the province by putting together a panel of youth-led projects related to fish, habitat and water.

Interested participants should be 25 years of age or younger and submit the following page to [info@fnfisheriescouncil.ca](mailto:info@fnfisheriescouncil.ca) before Friday **October 11<sup>th</sup>**, 2019.

\*\*\*Feel free to type the information into an email if easier than submitting the form\*\*\*

We look forward to your submissions. For any questions, please reach out to our Project Coordinator, Nina Nichols at [nina@fnfisheriescouncil.ca](mailto:nina@fnfisheriescouncil.ca).
