Administration Fax: (250) 949-7105

## **Job Description:**

Wuikinuxv Nation is involved in cutting edge fisheries management, including: carrying out research and government-to-government discussions and negotiations over fisheries management decisions. In their role the Fisheries Manager will provide coordination and management of the fish and other aquatic species within the Wuikinuxv Nation Territory. The Fisheries Manager program includes, but is not limited to, the Aboriginal Fisheries Strategy Agreement, Wuikinuxv Nation commercial fishing licenses (Spawn on Kelp, Halibut, etc.), Wanukv River Eulachon monitoring, food, social and ceremonial fisheries policy development and implementation.

## **Primary Duties:**

- Facilitate the strategic planning and coordination of the various Wuikinuxv Programs related to fish and aquatic species.
- Financial management and reporting for Wuikinuxv Fisheries Programs.
- Supervision of fisheries staff and crew members.
- Represent Wuikinuxv on relevant committees and technical working groups.
- Maintain effective communication with internal Wuikinuxv Nation staff, council, committees, as well as external governments and organizations.
- Policy and procedure development.
- Identify potential opportunities for sustainable funding, research and data collection, and program development.
- Attend relevant meetings in and out of Wuikinuxv Village.
- Develop and maintain an organized system for storage of important information.

## **Qualifications:**

- Post Secondary degree or diploma related to marine biology, resource management and/or other relevant environmental discipline;
- 3 to 5 years experience in Fisheries Management, including stock assessment, habitat protection, shellfish aquaculture, and all aspects of commercial fisheries;
- Knowledge of federal and provincial law related to management of natural resources;
- Vessel operation and maintenance;
- Well organized and strong writing and analytical skills;
- Experience with project management and report writing;
- Strong communication and public relations skills;
- Computer skills, including familiarity with MS word & excel.
